

The background features a light-colored wood-grain texture. At the top corners, several colored pencils (red, blue, green, purple, brown) are arranged in a fan shape. Three monarch butterflies are scattered across the scene: one on the left, one on the right, and one near the bottom left. A central red apple is the focal point, surrounded by various educational icons including a globe, a calculator, a magnifying glass, a microscope, a pencil, a pencil sharpener, a ruler, a compass, a musical note, a clock, and an atom symbol.
