

Behavioural Skills Workshop by VE Team

Drivers' Workshop at Velammal

Value education team of Velammal Vidhyashram along with Tata Motors organised a workshop on attitude and behavioural skills for school bus drivers and conductors. The focus of the workshop was on communication skills, responsibilities, etiquette and behaviour and attitude towards accidents. It was an interactive session with activities that reflected on importance of proper communication, videos on safe driving, responsibilities of conductors through role plays. Apart from training on safety, the motive of this workshop was to make the drivers understand their responsibilities. ENS

that activities.

WORKSHOP FOR SCHOOL BUS DRIVERS

The value education team of Velammal Vidhyashram, in association with TATA Motors, organised a workshop on 'attitude and behavioural skills' for drivers and conductors. The workshop focused on communication skills, responsibilities, etiquette and behaviour and attitude of bus drivers and conductors towards accidents. The session featured activities that reflected on the importance of proper communication; videos on safe driving; and others.
