

Velammal erupts in flowers

The fragrance of fresh flowers filled Velammal Matric on September 12 as the school organised a Pookalam competition to celebrate Onam. The competition saw 13 teams geared up with kilos of colourful flowers. The judges had a really tough time since all the floral patterns were very intricate. Director M.V.M.Sasikumar and Principal G.R. Shanthi lauded the students and teachers for keeping the spirits of this festival alive in the modern times.
