

Velammal Medical College
welcomes you to

Freshers' Day
19th August 2013

Velammal Medical College Hospital and Research Institute is designed and planned to suit emerging trends in global healthcare sector. This high capital-intensive 2100 bedded hospital with attached medical college offering Speciality and Super Speciality services is part of the 110 acres Velammal integrated Educational Complex close to Madurai city. Individual departments of the hospital are headed by experienced and seasoned medical professionals, trained paramedics and supporting staff offering quality health care services to the people in the country.

Velammal Medical College Hospital and Research Institute is the result of deliberations and planning on every aspect to create a world-class medical institution. The project will be one of its kind in the State designed to provide modern health care with ultra modern infrastructure comparable to the best in the country.
